

## 2011 SEMA: RMR RM500 Hyundai Genesis Coupe [Photo Gallery]

02/11/2011 20:10 by admin

If you're a Hyundai Genesis Coupe fan, this RMR RM500 version of the new two-door will make you giggle with joy. Why? because Rhys Millen Racing's (RMR) modified Genesis Coupe features Hyundai's most powerful engine under its hood - the award-winning 5.0-liter Tau V8, good for 450 horsepower.

From the moment I saw the Tau V8 engine in the Genesis R-Spec sedan, I knew it would be a perfect fit for the Genesis Coupe, adding even more performance and power to the dynamic coupe, said Rhys Millen,... [...]
