

Second Part of our 2011 SEMA Show Tribute with 320 Pictures

07/11/2011 00:51 by admin

You name it and the SEMA show has it ? from lightly modified Fiat 500s and classic Ford woodies to insanely powerful pony cars like the Chevrolet Camaro and unique tuning projects like the 1980s Volvo 242 coupe seen in the opening image above. Now, following our first photo tribute with a selection of modified cars and trucks that went on display at this year's edition of the Specialty Equipment Market Association show in Las Vegas, we bring you the second and final chapter that includes some 320 pictures, all in high-resolution.[...]
