

2009 Zolfe Orange

14/01/2009 11:29 by Car Tuning and Modified Cars News

Zolfe Orange, the latest all new British sports car, is making its production debut at Autosports 2008. Combining stunning good looks with lightweight design, the **Zolfe** is set to challenge more established competitors in this market sector. The front engined rear wheel drive car will provide vice free handling ...
