

## Hennessey Cadillac CTS-V Hammer Wagon Quarter Mile Run [Video]

10/11/2011 17:59 by admin

You already know that John Hennessey's daily driver, the heavily modified Cadillac CTS-V Hammer Wagon is one mean machine. However, the tuner felt the need to reinforce this and is now giving us a video if the beast playing the quarter mile game.

The station Wagon does a little burnout to heat up its rear tires first and then pulls up to the Christmas tree. When the hammer is put down, the beast seems to be willing to swallow both the air and the tarmac in front of it.

The result? The veh... [...]
