

Porsche 911 GT3 Tuned by REIL Performance

11/11/2011 15:05 by admin

The GT3 might be one of the most pure sportscars on the market right now, but it's also a bit boring and doesn't come with a lot of options. However, people in need of some track attacking still buy it and go to the aftermarket industry to ensure theirs stands out on the Nurburgring every Sunday.

REIL Performance has taken it upon themselves to create an aftermarket kit for the mighty 911 GT3, and the big news has nothing to do with those stickers and spoilers. A new Akrapovic exhaust system ... [...]
