

Ford Mustang GT "Fallen and Wounded Soldiers" by Webasto: Charity Tuning

16/11/2011 16:31 by admin

Raising awareness for for charity can be a difficult job these days, but things become pretty simple when you've got a custom Ford Mustang at your disposal.

This is exactly what the Fallen and Wounded Mustang GT by Webasto has been created for - this is a tuning project created through a joint effort from multiple custom car companies. It will also be used to raise funds for the The Fallen and Wounded Soldier's Fund (FWSF), a non-profit organization that aims to help members with medical assi... [...]
