

Ford F-150 SVT Raptor with 700 HP Gets SS Customs Wrap

17/11/2011 22:49 by admin

The fire of the SEMA show is still burning and we're here to add some more fuel. by presenting you a custom Ford F-150 SVT Raptor.

The vehicle, a Ford F-150 SVT Raptor has received serious tech mods and now delivers 700 hp at the rear wheels. SS Customs was commissioned to make this pickup stand out in the crowd for SEMA and, as you can see, they did.

When you look at the truck now, you just know that you might be in for trouble if you get too close to it. The vehicle received a half wrap ... [...]
