

## CLP Automotive's BMW X6 Bruiser is All Show but No Go

18/11/2011 17:02 by admin

We would hardly call BMW's X6 crossover a looker, which could explain the abundance of styling packages available from independent tuners. However, something tells us that CLP Automotive's newest offering called "Bruiser", will not help change the notion that the X6 is well, a dud when it comes to looks. The Bruiser package is all show and no go as it is limited to a wide aero kit and new wheels.[...]
