Rolls-Royce has an obsession from hiding the opulence of its cars a little bit and the company has made no exception with the Phantom Drophead Coupe. However, there are certain people who like to bring luxury into the obvious.

Let's take the vehicle from the aforementioned images for example - the Bijan Edition Drophead. Why else would you dress your two-door Rolls in the color of a banana, if not to gather all the attention in the world?

And to top the whole thing off, the interior comes ... [...]
