

DPE Wheels Releases Concave Art Photo Shoot

18/11/2011 21:04 by admin

Concave wheels are a thing of specialty... engineers will explain you how they deal with the enormous forces coming from all directions, designer will show you why they fit in certain languages and fans will say "wow".

You can write page after page of thoughts and impressions on this kind of connection to the road, but we're not here to do that. Instead, we're giving you a photo shoot released by DPE Wheels. This showcases the company's SP-SC5 rims. These are a good example of pushi... [...]
