

## RUF RGT and RUF RT-12S Playing on Nurburgring [Video]

24/11/2011 16:15 by admin

When you hear the RUF name, you instantly think about a Porsche 911 that's tuned to perfection, so you can imagine how happy we are to watch the adjacent video, which shows a trio of 911 RUFs playing on the Nurburgring.

The video, which was shot by Youtube user SpotterGijs (we must thank GTspirit for the scoop), brings us a pair of RUF RT-12S (one is dressed in black and one in yellow), as well as a RUF RGT, which is wearing a pearlescent silver coat.

The three were put through their paces... [...]
