The BMW X5 has a huge success and while that may be pleasing for BMW, it means that, if you own one, it's pretty likely to get lost in the crowd of other SAVs. For some this can be good, while others may want to stand out. The latter category brings us to the subject of our news: the Need 4 Speed Motorsports BMW X5.

The SAV was gifted with an AC Schnitzer exterior package, which comes with a moderate approach, but is still sporty enough to draw attention - a balance that's pretty hard to obta... [...]
