

Brabus 2012 Mercedes-Benz M-Class Coming to Essen [Photo Gallery]

25/11/2011 13:25 by admin

Yesterday, we showed you two Brabus teasers for the Essen Motor Show and it is now time to get into the details of the projects. We'll start with the 2012 Mercedes-Benz M-Class, for which the German tuner offers a complete package.

We'll start with the tech side, which includes the Brabus Eco PowerXtra D6S performance kit for the ML 350 BluTEC 4MATIC, which brings the output from 258 hp and 620 Nm (457 lb-ft) to 306 hp and 690 Nm (509 lb-ft). This allows the SUV to deal with the 0 to 62 mph s... [...]
