In Italy the police is enjoying a very cool Lamborghini Gallardo LP560-4 Police Car. And today, for Germany, ABT Sportsline has unveiled a very cool Audi R8 Police Car. Dressed in a very cool blue Police uniform, this package is based on ABT's previous R8 GT-R package and made its debut today at the Essen Motor Show. And if you forgot its details let us refresh your memory: it uses a 5.2 FSI engine tuned to deliver an impressive 620 hp and sprints from 0 to 62 mph in 3,2 seconds, from 0 to 124 mph in 9.9 seconds and can hit a top speed of 201 mph. So, what do you think, any chance for the bad guys to escape? We think not! For the exterior the car has received an impressive aerodynamic package that will provide an even more aggressive look: a carbon made bonnet, front and rear aprons, adjustable rear wing, tailgate, external mirrors and door panel. And of course that the car will be equipped with all the latest police technology features.[...]
