We've said it before and we'll say it again: the fact that the Aventador has arrived and is trying to dominate the supercar world doesn't mean that the Murcielago has been forgotten.

We've got the perfect example to illustrate this, in the form of the Lamborghini Murcielago LP670-4 SV Setaro, a development coming from US tuning company PUR Wheels.

The tuner, which specialises on custom wheels for exotic cars, have chosen a dark finish for the wheels features on this Lambo, with this creatin...[...]
