

Essen 2011: Brabus Mercedes M-Class [Live Video]

28/11/2011 14:53 by admin

Mercedes specialist tuner Brabus has a couple of interesting new packages making their debut at the 2011 Essen Motor Show, and thanks to Justin from JustinsSupercars, we can now bring you video footage of what the German tuner has done to the brand new M-Class.

On the cosmetics front, Brabus has decide to offer a lowering module for the models fitted with AIRMATIC air suspension, which brings the vehicle down by 30-40 mm, while SUVs fitted with a regular suspension can be slammed by a full 30... [...]
