

Tokyo Show: New BMW Alpina B3 GT3 is One Mean Green Machine

30/11/2011 17:15 by admin

Famed BMW tuning house Alpina showed up at the 2011 Tokyo Motor Show with a world premiere, the limited edition B3 GT3 of which only 99 examples will be built, each carrying a price tag of ?90.000 (approx. US\$120,000) in Germany. The B3 GT3 is based on the regular 3-Series Coupe and it uses a slightly modified version the 3.0-liter twin-turbocharged inline-six found in Alpina's B3 S Bi-Turbo sedan, coupe and touring models.[...]
