The racing-inspired Alpina B3 GT3 managed to gather a lot of attention at the Tokyo Motor Show, including our own, so here we are with a set of photos that show the car in all its glory. We'll remind you that under that green bonnet, we have a 3.0-liter twin-turbo straight six that has been tweaked to produce 408 hp at 6,000 rpm and a peak torque of 398 lb-ft at 4,500 rpm.

The coupe can leave the 62 mph mark behind in 4.6 seconds and, if the driver keeps busing the pedal on the right, offers ... [...]
