Dubai supercar spotter 4WheelsofLux spotted the strangest car we've seen all year. As we've previously reported, the United Arab Emirates is celebrating its unification 40 years ago tomorrow, and people there are really happy that they were prosperous that they are willing to spend money in a crazy way.

This Lamborghini Gallardo LP560-4 Bicolore has been covered not only with the UAE colors of the flag, but also with some sheikhs here and there. No expense was spared, since the wrap also cove... [...]
