

## Jeep Wrangler Military Edition form Project Kahn

09/12/2011 11:38 by admin

A. Kahn Design must have a lot of Jeep Wrangler fans among their customers, because they are releasing about as many mods for the American off-roader as they are for its British counterparts from Land Rover.

This time, they created another tasteful Military Edition, featuring their aftermarket modes and wheels, plus a bit of their Military Gray metallic paint. Round the back, you also get a set of quad exhaust tips, giving a sportier look to the Wrangler than it's ever had.

An exclusive ur... [...]
