

Nissan GT-R Gets Michael Jackson Memorial Livery

09/12/2011 12:38 by admin

A lot of people have gone to great lengths to create Michael Jackson memorials, but the one we are talking in this piece of news tops everything we've seen until now. No, this isn't Photoshop. It's areal Nissan GT-R with Michael's face all over it. A tuned GT-R that is. The vehicle was caught on camera by Rob Shaw during the Nissan Nismo Festival 2011.

You see, the GT-R has a bad habit of overtaking everything in its way and once you're in this car's dust, you will be looking the man in the ... [...]
