The Mercedes E63 AMG is a bold vehicles that likes to take all its V8 power and torture the road with it. Such a bold machine is very happy when its owner decides to install upgrades that shout about its capabilities and we're here to give you an example.

The adjacent photo gallery (features on luxury4play.com) showcases a 2010 E63 AMG (yes, this means it's got the naturally aspirated 6.2-liter V8) that has been gifted with a few aftermarket upgrades that make it shine.

The vehicle has rece... [...]
