

Anderson Germany Unleashes the Audi A8 Venom Edition

13/12/2011 01:34 by admin

Even though the A8 is not as popular as the BMW 7-Series and Mercedes-Benz S-Class in the German tuning scene, Audi's offering in the luxury limousine sector definitely has its fans. The latest creation to hit the streets is named the Audi A8 Venom Edition and it comes courtesy of Anderson Germany. The first thing you'll notice about the car is the eye-catching satin gunmetal gray with the front grill, all emblems, plus the door handles and window surrounds finished in gloss black. The dark theme continues with the tinted windows and smoked lights.[...]
