

Wheelsandmore Tunes McLaren Mercedes SLR 722

13/12/2011 15:47 by admin

Wheelsandmore has added yet another awesome project to their three-piece rim portfolio, and this time, the McLaren Mercedes SLR 722 was the vehicle targeted. The English language doesn't have enough superlatives for how cool this car looks sitting in an underground park. (well, it does have enough, but we don't know them all!)

If you were unhappy with the stock 650 hp of the SLR, which left you eating the dust of the AWD Aventador on the long straight roads of Dubai, we have news: they've tun... Ш...Щ
