

18-year-old World of Warcraft hacker tries to sell \$150K Nissan GT-R

14/12/2011 20:03 by admin

Apparently you can make enough money selling WoW Bots to buy a tuned, carbon-fiber-laden Nissan GT-R for \$150,000. That's what one 18-year-old Zilvia.net forum denizen says he did, and now he's selling the car on the board. Naturally, everyone else thinks he's trolling. [...]
