

## 2012 Mansory Bentley Continental GT Unveiled

18/12/2011 12:38 by admin

The 2012 Bentley Continental GT is already a head-turner, since the facelift makes it bolder and more showy than ever before, but that wasn't enough for the Bavarian tuner Mansory, who brought it to a completely different level.

Obviously, the first thing they did to enhance the car was to give it a more sporty appearance. Thus, the tuned GT has been bestowed with aprons, a spoiler lip, a rear diffuser and new side skirts. To make it lighter, the front fenders and the bonnet have been replaced...[...]
