

## Lamborghini Gallardo Akrapovic Slip-On Titanium Exhaust System [Video]

19/12/2011 15:52 by admin

You don't need a reason to release a video showing some Lamborghini abuse - just do this and everybody will be happy to watch it. However, the adjacent clip, which shows a Gallardo being put through its paces and drifted on an airfield has a higher purpose.

If you listen to the soundtrack, you'll notice that the V10's war cry is different and this is because you are looking at Slovenian [exhaust specialist](#)'s latest development - a slip-on titanium exhaust system for the Gallardo.

However, t... [...]
