Wheel specialist Vossen have just released a new video showing the old but still very cool BMW 6-Series coupe sitting pretty on a set of massive 20-inch wheels. The sporty looking rims are called Vossen VVS-CV3 Concave Wheels and the fact that they have this gun-metal look to them instead of flashy chrome makes the 645i look like it means business.

We think that now is the time to buy this old Bimmer and make it your own with custom touches and a flagrant disregard for tradition.

The 645i ... [...]
