

PP Exclusive Mercedes-Benz SL R230

21/12/2011 01:01 by admin

A new generation of the Mercedes SL has recently been presented, but the replaced one is still receiving attention from tuners, with the latest development of this kind coming from PP Exclusive.

The facelifted version of the R230 SL has received multiple interior and exterior modifications, but the tech side comes with minimal mods.

The vehicle rides on PP Exclusive Majestic wheels that come in a 11x20-inch size for the front axle (3.5-inch outer rims) and in a 13x20 size for the rear axle... [...]
