

Maybach Xenatec 57S Coupe Video

21/12/2011 02:02 by admin

The adjacent video shows the Maybach57S Coupe conversion in all its glory, offering us both static and dynamic scenes of the Crusario (this is how Xenatec calls its creation).

This car, which is based on a Maybach 57S sedan, gives you an idea of what Maybach cars could have looked like if the company had been properly managed by Mercedes-Benz.

However, Xenatec may have a story that's about to become just as sad as Maybach's one. While the latter is going to be shut down, it seems that Xe... [...]
