

Audi RS5 in Matte Baby Blue is Stunning

21/12/2011 13:08 by admin

A few days ago, a set of image of a green chrome BMW 5-Series surfaced on the web, taking the world by surprise. However, the vehicle is not for all tastes, even if we are talking about people who like unusual finishes on cars.

Thus, we've decided to return with a new proposal (we must thank J & G Spanish Spotter's for the photo), that also takes things far in terms of automotive eye candy, but uses a totally different approach.

The vehicle used as a base this time is an Audi RS5, a natura... [...]
