

Lamborghini Gallardo Exhaust by BBi Autosport Coming

21/12/2011 14:09 by admin

The Lamborghini Gallardo is one of the oldest supercars still on the market, but this doesn't keep Lambo itself and tuners from releasing new goodies for the vehicle. We'll focus on the latter part, with the freshest aftermarket development for the V10 Lambo coming from BBi Autosport.

The Californian tuner is currently working on an exhaust system for the Gallardo and has shared two images of the development with us. The company usually works on vehicles wearing the Porsche brand, so it is no...[...]
