

BMW 1-Series M Coupe Visual Kit by Prior Design

21/12/2011 15:09 by admin

As you know, even though the new F20 BMW 1-Series is here, the E82 Coupe and E88 Convertible will still be around for a while, which means that tuners will continue to offer goodies for them.

In fact, this is why we're here, to talk about such a development: German aftermarket developer Prior Design is offering an exterior styling package that brings the appearance of the 1M to any 1-Series Coupe.

Dubbed PDM1, the package seems to come with an excellent level of attention to detail, includ...[...]
