Have you ever looked at a hammer or a brick and said to yourself hmmm, I wish my car would look just like that! That hasn't happened to us in a long time, but apparently, that's just what the Porsche Cayenne needs.

The German tuner that sounds like a sickness, ASMA Design, has released details of a brand new body kit for the turbo version of the SUV, and the result is the worst looking creating ever.

Very few details about the kit are available, but that's a good thing, since we don't want... [...]
