

A Bentley for Mad Max by Office K

22/12/2011 16:18 by admin

The thirist thing that comes to mind when seeing the adjacent image is probably a trip outside the house - you'll need some fresh air to be able to cope with this piece of overkill. However, we think we know what happened here.

This Bentley custom work coming from Japanese tuner Office K (we must thank luxury4play for the photo) isn't just another aftermarket kit destined for usual people. This has to be a proposal of a Bentley for Mad Max. If you look at it this way, things seem to make a bit...[...]
