

Schmidt Revolution Upgrades VW Golf GTI MkV to 275-Horses

22/12/2011 17:18 by admin

The fifth generation of the Volkswagen Golf GTI gave its place to a newer model in 2009, but the tuning industry still has a lot of love left for the car that rejuvenated the series after the mediocre Mk3 and Mk4 GTI's. Schmidt Revolution Upgrades VW Golf GTI MkV to 275-Horses This tune comes courtesy of Germany's Schmidt Revolution, which has readied a package comprising of both performance and some cosmetic upgrades.[...]
