

Chromed AC Cobra in Saudi Arabia

23/12/2011 21:34 by admin

When placing Saudi Arabia and cars in the same sentence, modern day supercars with matte foil wraps on them are the first to come to our minds. However, there's more to the country than that and we have a photo shoot to prove it.

The adjacent images, coming from Hosam al Ghandi photography via luxury4play, show a 1965 AC Cobra that has received a chromed finish. Right now you're probably thinking overkill, but this is not the case, as the car isn't a mirror on four wheels.

The owner asked ... [...]
