

Mopar to Present 2012 Dodge Charger Redliner with up to 590HP at the Detroit Motor Show

02/01/2012 23:12 by admin

The new 2013 Dart compact sedan won't be the only new Chrysler Group model to make its world premiere at the upcoming Detroit Motor Show. The Detroit firm's Mopar division will also debut the 2012 Dodge Charger Redline, which is scheduled to go on sale later this year offerings buyers a choice of three different tuning kits that can be combined.[...]
