Meet Pinky, who's not an appendage, but a heavily tuned Volkswagen Golf GTI Mk 5 that's so confident about its masculinity that it can pull off the color pink with relative ease. Drive-Zone has the scoop on the crisp tuning project, which centers around a set of 20-inch Vossen CV1 wheels.

But the Golf GTI Swizz Edition as it's actually called is also about cool beats, as it's got a banging sound system, ideal for all those tuning meetings on the weekends where the party comes to a parking lot ... [...]
