The Mercedes-Benz ML63 AMG is a very nice toy - with all that power and the hefty ground clearance, it allows you to play free. However, it is only a toy for adults, but what if you also want little children to play with it?

Well, we wouldn't recommend it, but you could use the solution from the adjacent images (via EnglishRussia). As you can see, the owner of this ML63 AMG decided to place hundreds of stickers all over the dashboard, as well as on the door panels.

They come in all shapes ... [...]
