

Yellow Range Rover Sport Overfinch China Edition

04/01/2012 20:00 by admin

In China, you either go big or you go home, and this also applies to the automotive industry. Tuned cars are much more over-the-top there than in any other place. Looking a bit like a footballer's car, this yellow bird is the work of tuners Overfinch and is built exclusively for the Chinese market, according to CarBuzz.

The car shot by Chinese site AutoHome, sits in a JLR dealership there and despite being based on a large and imposing SUV, it almost kisses the ground. The China Edition is po... [...]
