

## 2012 BMW 5-Series by Royal Muffler

06/01/2012 14:14 by admin

Ladies and Gentlemen drivers, you are looking at the first Wald International Black Bison BMW F10 5-Series that set wheel in North America. However, the vehicle hasn't't been left in the form it received from the Japanese tuner, also being fitted with certain aftermarket goodies coming from US tuner Royal Muffler.

First of all, the 5er received a Satin White wrap, with gloss black details being added to introduce a strong contrast. The car rides on a set of Forgiato wheels that come in a 21-i... [...]
