

Office-K Mansory SLR Roadster Renovatio in Japan [Video] [Photo Gallery]

11/01/2012 13:32 by admin

Who know that the Japanese had such tuning and customizing talent in them... besides GTspirit. A specialist importer and customizer from the land of the rising sun has revealed a full hand in the form of their latest project.

It's based on the Mansory McLaren Mercedes SLR Roadster, but the drop-top has been taken to the absolute max. The body kit comes from the Swiss tuning firm that's known across the world, but the Japanese have taken things a step further, as the kit is finished in naked c... [...]
