

## Rolls-Royce Phantom Drophead Coupe Tuned by Wald International [Photo Gallery]

12/01/2012 16:43 by admin

Japanese tuner Wald International is known for its extreme visual tuning packages, with many of these playing in the overkill league. The company has recently announced a new extreme aftermarket development, based on the Rolls-Royce Phantom Drophead Coupe.

The development, which will make its debut at the Tokyo Auto Show, comes with the usual extreme styling cues, consisting of a redesigned front fascia, side skirts extensions, a rear diffuser, as well as a lip spoiler for the boot lid.[...]
