

## Veilside Mercedes SL Black Fortune

13/01/2012 11:17 by admin

Japanese tuner Veilhouse has recently released a set of renderings that preview one of its goodies for the 2012 edition of the Tokyo Auto Show. The company will launch a body kit for the Mercedes SL R320, whit the move also marking the introduction of a new brand called Black Fortune.

The set of clothes seems to borrow styling cues from the SL65 AMG Black Edition, offering the vehicle a wider stance. The kit consists of a new front fascia, side skirts, rear apron (with an integrated diffuser...[...]
