

Lexus LFA Roadster Appears at the D1GP Kick Off Drift Event!

13/01/2012 21:18 by admin

This just in; we just found out that a convertible version of the Lexus LFA supercar made an unsuspected and very surprising debut at the D1GP Kick Off Drift event on the sidelines of the Tokyo Auto Salon 2012 outside the Makuhari Messe convention center. Details remain extremely thin for now but we'll be searching for more information and pass it on as soon as we receive it. That said, we don't know yet if it's a one-off custom creation, a Lexus prototype or the first of a limited production series to be released onto the market.[...]
