

Too Much of a Stretch? RUF Builds Porsche Panamera XL for China

14/01/2012 01:18 by admin

Porsche tuning specialist RUF has beat the German brand in the presentation of a long-wheel base version of the Panamera sports saloon aimed at the plutocrats of China. Named the Panamera XL for obvious reasons, the 5,370mm (211.4 inches) long Porsche received its public debut at the Guangzhou Auto Show 2011, which took place in November last year.[...]
