

Carlsson Mercedes CLS63 AMG Red and White Dream

16/01/2012 19:39 by admin

Carlsson has just released details and pictures of a new customization program for the Mercedes Benz CLS63 AMG, our favorite four-door coupe in the looks department. Called the "red and white dream," this is clearly hitting the aftermarket nail on the head, since a lot of people love red pleated leatherwork in a white car.

There are also some performance enhancements, as Carlsson has added their exhaust system with metal catalysts that combined with some engine remap games resulted ... [...]
