

FAB Design Mercedes Benz E-Class Cabriolet

16/01/2012 19:39 by admin

We're big fans of the Swiss tuner FAB Design ever since we first saw their body kit for the SLS AMG. FAB always puts a unique and very interesting twist on the cars it touches, and their latest project is no exception.

The package they came up with for the E-Class drop-top is a bit more down to earth than the usual ostentatious jobs they pull off, but you wouldn't call it discrete.

This is the first time that a tuner has ever done something good with the E-Class' strange double headlight ... [...]
