

Gazoo Racing Builds Toyota Yaris Turbo Concept with 180-Horses [Video]

16/01/2012 20:40 by admin

While Toyota has no current plans to develop a performance version of its latest generation Yaris (marketed in Japan as the Vitz), the automaker's tuning and motorsports partner Gazoo Racing introduced an interesting concept model at this past weekend's Tokyo Auto Salon 2012. The Vitz Turbo Concept is based on the three-door Yaris and comes with a raft of performance upgrades that may become available to the public in the very near future.[...]
